

Article number: 302010016

Product name: Gebhardt Corner SL 20/3 zinc plated

Field of application: 4-bolt duct connection in combination with Gebhardt slip-on duct flanges for rectangular ductwork

Material: Steel, DD 11, material-number. 1.0332

Coating: Galvanised

Production method: Punched part, stamped

Mounting hole: Slotted hole: 9 x 12 mm

Leg length: 73 mm

Weight: Approx. 0.034 kg/pc

Delivery unit: box à 500 pcs. pallet à 27.000 pcs.

Duct size: 32 mm

**Suitable flange-
profiles:** Premium 20
P 20
S 20

Remarks:

- Slotted hole for optimum assembly behaviour
- Additional lateral adjustment holes for subsequent alignment of the component during assembly
- Compatible for processing with the Gebhardt punch press.
