

PRODUCT DATA SHEET – 302080011
As of: 29.11.2024
Article number: 302080011

Product name: Gebhardt Corner P 40/4 zinc plated

Field of application: 4-bolt duct connection in combination with Gebhardt slip-on duct flanges for rectangular ductwork

Material: Steel, DD 11, material-number. 1.0332

Coating: Galvanised

Production method: Punched part, stamped

Mounting hole: Slotted hole: 13 x 16 mm

Leg length: 123 mm

Weight: Approx. 0.135 kg/pc

Delivery unit: box à 150 pcs. pallet à 5.400 pcs.

PRODUCT DATA SHEET – 302080011**As of: 29.11.2024****Duct size:** 32 mm**Suitable flange-
profiles:** Premium 40
P 40
S 40**Remarks:**

- Slotted hole for optimum assembly behaviour
- Additional lateral adjustment holes for subsequent alignment of the component during assembly
- Compatible for processing with the Gebhardt punch press.
