

Article number:	301030613 – length 5.000 mm 301030615 – length 2.500 mm  
Product name:	GEBHARDT Premium 40 D-Butyl 1,0 mm
Field of application:	Slip-on duct flange with integral sealant for connecting rectangular ductwork
Material:	Strap steel 1,0 mm, zinc coated, according to DIN EN 10346
Sealant:	Gebhardt-Butyl
Unit:	301030613: Bundles a 500 m, length 5.000 mm 301030615: Bundles a 250 m, length 2.500 mm
Weight:	1,14 kg/m
Production method:	Cold roll forming with injection of sealant
Certificates:	Tested to DIN EN 1507: 2006: Class D (TÜV-Nord certified) Tested to DW 144: Classes A, B, C and D Butyl sealant tested to DIN EN ISO 846 (According to VDI 6022)
Remarks:	Related corner pieces: P40/V, P40/4 Recommended flange length: Duct size less 32 mm Recommended flange length with corner D40/V: Duct size less <5 mm
