

PRODUCT DATA SHEET – 303021013
As of: 25.06.2025
Article number:

303021013

Product name:

Gebhardt G-clamp standard, 2.5 mm, galvanized

Field of application:

Our duct is in many cases the optimal solution for connecting rectangular ventilation ducts. The Gebhardt duct clamp is easy to use and ensures a secure, strong connection.

Material:

Galvanized steel

Characteristics:

Material thickness: 2.5 mm
With pre-assembled hex bolt M8 x 25 mm

Weight:

Approx. 0.043 kg/pc.

Delivery unit:

Boxes à 200 pcs. pallet à 10.000 pcs.

Remarks:

- Suitable for Gebhardt flange systems:
 - Premium
 - P
 - S
 - L
 - flex.x
- Suitable for flanges 20, 30 und 40
- Recommended tightening torque: M = 5 Nm
