

Protective duct cover

- Specially harmonized with technical requirements in the field of ductwork
- Tear-proof, single sided self-adhesive film
- Protective duct cover against soiling during storage, transport and assembly
- Excellent adhesion on galvanized steel, stainless steel and aluminium
- Can be removed quickly without leaving any residue
- Resistant to weathering

PE-film

- Polyethylen-film
- Single sided self-adhesive
- For sealing ductwork according to DIN EN ISO 846

Item No.	Description	Width*	PU	Pallet	Color
312 010 025	Film 250	250 mm	16 pcs.	256 pcs.	blue-translucent
